This ceremony includes persons who expect to complete all their requirements at the end of spring 2008 semester. Therefore, this listing of degree candidates remains tentative for spring graduates. The diploma of the university, signed by its proper officers, remains the official testimony to the possession of a degree. Academic honors designations for spring graduates printed in this program are based on performance through the fall 2007 semester.

Dissertation title:

“Thermoregulation in Bottlenose Dolphins (*Tursiops truncatus*)”

This ceremony includes persons who expect to complete all their requirements at the end of spring 2008 semester. Therefore, this listing of degree candidates remains tentative for spring graduates. The diploma of the university, signed by its proper officers, remains the official testimony to the possession of a degree.

The University Seal

The seal of the University of North Carolina Wilmington has evolved over the years. Originally, there were no pine boughs on the seal. A compass, square, quill and triangle were depicted to represent the pre-engineering program offered by Wilmington College. Today's seal retains the triangle as a reference to our roots, adds the pine boughs for the longleaf pine, indigenous to North Carolina, and the scroll for a diploma-issuing university. The UNCW Seahawk, our mascot, appears at the top of the pine boughs, and 1947, the date of the establishment of Wilmington College, appears at the bottom.

UNC Wilmington's unique motto, *Discere Aude*, was created by Dr. William Madison Randall, the next to the last president of Wilmington College. It has been defined as both "Dare to learn" and "In order to discover the truth firsthand, be courageous!"

The University Mace

The UNCW mace, carried by the chief faculty marshal at commencement, incorporates elements and materials important to the history of our university and region. The boss, or top of the mace, represents the essence of education, the flame of learning. It was designed to embody humankind's timeless pursuit of knowledge and quest for truth.

Below the boss are four official seals important to the university's history. They represent New Hanover County, Wilmington College, the University of North Carolina system and the University of North Carolina Wilmington. Four bands on the shaft symbolize UNCW's four academic areas: the College of Arts and Sciences, the Cameron School of Business, the Watson School of Education and the School of Nursing.

The terminus, or end piece, consists of a longleaf pinecone to symbolize the longleaf pine tree common to the landscape of Southeastern North Carolina. The longleaf pine is also the state tree.

The mace was designed by Jeff Morvil, a Wilmington artist, and created by Marvin Jensen, a sculptor from Penland, N.C.

The University

At the University of North Carolina Wilmington, passionate and engaged teaching, learning and research are paramount. UNCW is an active learning community that uniquely combines a small-college commitment to excellence in undergraduate teaching with a research university's opportunities for student involvement in significant faculty scholarship. The university's prestige has grown in recent years, as has its population, which now includes almost 12,000 students and nearly 2,100 faculty and staff. For 10 consecutive years, UNC Wilmington has been ranked among the top 10 public master's universities in the South in the *U.S. News and World Report* "America's Best Colleges" guidebook. UNCW is ranked sixth in the 2008 edition. The university also received the "Best in the Southeast" designation for 2008 by *The Princeton Review* and was designated as one of the best overall bargains—based on cost and financial aid—among the most academically outstanding colleges in the nation.

Established as Wilmington College in 1947, the institution was granted community college status in 1957, achieved four-year status in 1963 and joined the state university system in 1969. The first graduate programs were authorized in 1977, and in 1985, the UNC Board of Governors elevated UNC Wilmington to a Comprehensive Level I university. The university's academic units include the College of Arts and Sciences, the Cameron School of Business, the School of Nursing, the Watson School of Education and the Graduate School. UNCW offers 73 bachelor's degrees and 30 graduate degree programs, which include a Ph.D. in marine biology, one of only three offered on the East Coast, and a new Ed.D. in educational leadership.

The university has taken a leadership role in the long-term economic, environmental, educational, social and cultural health of the region. It has a strong commitment to adult learners and offers short, non-credit university courses, seminars, lectures, travel excursions and other educational opportunities. Overall, UNCW has an annual \$500 million economic impact on Southeastern North Carolina. This represents 5.5 percent of total economic activity and supports approximately 7,700 jobs.

With \$108 million from the North Carolina Higher Education Facilities Bond Issue, UNCW has undertaken the largest construction effort ever in its 60-year history. Three classroom facilities were built, and eight existing structures were renovated. In addition, the North Carolina General Assembly awarded UNCW \$30.1 million to design and construct a building for the School of Nursing.

The UNCW Seahawks compete in the Colonial Athletic Association as an NCAA Division I program, fielding 19 intercollegiate teams. UNCW's athletes excel not only on the playing field but in the classroom as well. The university's student-athletes have consistently recorded the highest graduation rates among NCAA Division I public universities in North Carolina for the four-year class average. Seahawk teams captured three Colonial Athletic Association championships in 2008: men's track and field, men's swimming and diving and women's golf.

Charlotte, NC

Academic Regalia

The academic regalia usually recognizes three different academic degrees: the bachelor, the master and the doctor. The name of each degree was derived by medieval university custom. The bachelor's degree, or baccalaureate, takes its name from the medieval practice of "bachelors" wearing a garland of bayberries. The master's degree was equivalent to a license to teach and sometimes was followed by the express words "Licentia Docendi." The doctor's degree, when earned by study, as is true of the Doctor of Philosophy degree, indicates advanced study and independent research in a specialized field of learning, whereas honorary degrees are granted for meritorious service and for distinction in public or private endeavor. In the medieval university, students and teachers wore gowns indicating their status and scholastic achievement.

Those holding a bachelor's degree wear a gown of worsted material, fastened at the top and distinguished by long pointed sleeves hanging nearly to the knees. The master's gown, worn open, has long closed sleeves with an arc of a circle appearing near the bottom of a slit for the arm near the middle of the sleeves. The doctor's gown, also worn open, is faced with a broad strip of velvet and has three bars of velvet on each sleeve.

A hood may be worn with the gown. The bachelor's hood is three feet long, with a two-inch strip of velvet; the master's hood is three and one-half feet long, faced with a three-inch strip of velvet; the doctor's hood is four feet long and faced with a five-inch strip of velvet. The color of the tassel or the velvet strip on the hood indicates the field of study in which the degree was earned or granted; for example: Arts, white; Science, yellow; Education, light blue; Nursing, apricot; Business, drab. Each hood is also lined in silk with the colors of the institution that granted the degree. UNCW's hood is lined with green and gold.

The appropriate cap for all degrees is the familiar black "mortarboard." A black tassel, or one of the colors signifying the field of specialization, hanging to the left of the face, is appropriate for all degrees. Those holding a doctor's degree may wear a soft velvet cap of the color indicating their field of study or, with the "mortarboard," they may wear a tassel in whole or in part of gold thread.

CHIEF FACULTY MARSHALS

Sciences, Arts and Humanities in the College of Arts and Sciences Ceremony

Sherrill Martin, Music

2007 Recipient of the Board of Governors' Award for Teaching Excellence

Social Sciences in the College of Arts and Sciences Ceremony

Richard Olsen, Communication Studies

2007 Recipient of the Board of Trustees Award for Teaching Excellence

Professional Schools Ceremony

Lisa Scribner, Marketing

2007 Recipient of the Chancellor's Teaching Excellence Award

FACULTY CO-MARSHALS

Graduation Pledge

*“I pledge to explore and
take into account, the social
and environmental consequences
of any job I consider and
will try to improve these
aspects of any organization
for which I work.”*

UNCW is a member of the Graduation Pledge Alliance, a national movement that encourages graduates to take an active role in creating a responsible citizenry and better world. Students who have voluntarily taken this pledge are wearing green ribbons on their graduation gowns today.
